

Teen Challenge 2010

Teen Challenge is a weekend event for all teen Pathfinders of Georgia-Cumberland. This year we are bringing back the opportunity for the teen Pathfinders to meet the challenge of helping to change the lives of hungry children around the world. We will be participating in the 30-hour Famine program of World Vision. We be fasting from food for 30 hours during the weekend. We urge each Pathfinder and staff person to get people to sponsor them with money for their participation in the 30-hour Famine. We are challenging each participant to raise at least \$30.00. This amount will feed one hungry child for one full month.

The weekend will be filled with fast-paced activities to help you to better appreciate the plight of many of the children of the world who do not have the blessings we have. Also, we are planning to have super "evasion-type" game Saturday evening.
